
Welcome to our Safe Cycling Routes Pamphlet! We are thrilled that you will be cycling through Carleton Place and enjoying everything our community has to offer!

On this map you will find designated “Safe Cycle” streets that will get you anywhere you need to go in Carleton Place, with the safest routes possible.

While the highlighted streets are still used by motor vehicles, these streets have been recognized by “Share The Road” as appropriate safe transportation routes for cyclists. These highlighted streets have wider shoulders, less daily traffic, and do not cross major intersections without appropriate crosswalks.

Enjoy your ride!
