

Riverside and Centennial Beach

Riverside Beach is equipped with a play structure, splash pad, washroom facilities, picnic tables and trees to provide cool shade on a hot day.

Just across the river from Riverside Beach is Centennial Beach. Enjoy the day relaxing in our picnic area and cooling off in the Mississippi. Both beaches are open from mid June to the end of August. During this time, lifeguards are on duty from 9:30 a.m. – 6:00 p.m.

Please note that hours may be reduced due to inclement weather or beach closure due to unsafe bacteria levels. Water quality is tested by Leeds, Grenville & Lanark District Health Unit. All patrons must respect closure signage. Please call the pool at (613)257-1005 or the beach at (613)257-4137 to confirm.

Splash Pads

Riverside Park has a Public Splash Pad that is open from June to October of each year (weather permitting.) The Splash Pad is push button activated to turn on, and is a family-favourite activity in Carleton Place. This splashpad was upgraded in 2017 thanks to a Canada150 Grant, and now has 8 new features! If you see any concerns with the Splash Pad, please call the Recreation and Culture Department at (613)257-1690.

An exciting service offered at the Carleton Place Day Care Francis Street Location for the summer is the option to rent the play yard with splash pad for birthday parties on weekends. The cost to do so is \$45.00 per hour and which includes staffing. If you have an interest, please feel free to contact us at (613)253-0597.
