**WINTER OPERATIONS NOTICE**

**Snow Removal Operations**

Residents are to be advised that the Town of Carleton Place will NOT be responsible for damages to personal property within the municipal right of way during snow removal operations. Snow removal operations includes plowing activities and occasionally staff will use a large blower to remove snowbanks where necessary. Residents should remove items like sports equipment, planters, and other lawn decorations from the municipal right of way before objects become frozen to the ground. Residents may wish to trim any branches from shrubs and trees that originate from your property to prevent any damage. Residents with rocks and other permanent landscaping features may wish to mark them with a reflector that will be visible above the snow. Should you have any questions, please contact the Public Works office (613) 257-2253.

**Winter Parking Restrictions**

In accordance with the Town of Carleton Place by-law 2011-050 when Environment Canada forecasts a snowfall of more than 7cm or more for Ottawa and the surrounding area the municipality will issue an on street parking ban. During a parking ban no vehicles shall be parked on municipal streets or parking lots within the Town of Carleton Place between 11pm until 7am. By-law Officers actively enforce winter parking by-laws within the Town of Carleton Place. Vehicle owners will be fined \$65.00 and the vehicle could be towed if interfering with snow removal operations when a ban is in effect or at times when signs are posted for secondary snow bank removal. Should you have any questions, please contact our By-law Department (613) 257-5688 or [bylaw@carletonplace.ca](mailto:bylaw@carletonplace.ca).

**Parking Ban Notification**

If you would like to be notified by email when a parking ban is in effect, please visit the Town's website <http://carletonplace.ca/winter-parking-p1619.php> to submit your email address.

By working together, we can ensure we're all better prepared for whatever this winter may bring.
