

Visitor's Centre/ Roy Brown Museum

170 Bridge Street, Carleton Place
Info: (613)257-1976 info@cpchamber.com
www.cpchamber.com

The Carleton Place Moore House is now home to the Carleton Place Chamber of Commerce & Visitor Centre. Pop in and say hello! The Visitor's Centre still contains a small exhibit from the Roy Brown Museum, and a larger exhibit can be found at the Carleton Place & Beckwith Heritage Museum.

The Visitor's Centre is also home to the Right Bike Program, which provides daily rentals of bicycles allow patrons an opportunity to experience Carleton Place by bike! For more information and for bicycle availability, please contact the Chamber of Commerce office.

Carleton Place Community Labyrinth

Come and visit our Grass Labyrinth which is cared for by the Labyrinth Committee. All are welcome to walk the outdoor grass labyrinth at any time. The labyrinth is an ancient spiritual tool which has been used for over 4000 years. The labyrinth pattern is similar to a circle, one of nature's most basic forms, a symbol of harmony, grace and transformation. One entrance point guides the walker through a series of switchbacks that leads eventually to the center of the pattern. Walking a labyrinth is reported to support healing, meditation and personal growth. Visit us online at www.carletonplacecommunitylabyrinth.blogspot.com.

Outdoor Rinks

Carleton Place has three outdoor rink locations, which are maintained by community volunteers. They are located in Anthony Curro Park on Stonewater Bay, Woolgrowers lot in front of OPP/Ocean Wave Building and at the Carambeck Community Centre. Without the support of volunteers; the residents of Carleton Place would not have the opportunity to participate in this great outdoor activity. If you are interested in volunteering, please contact Joanne at (613)257-1690.
