FIRE SERVICE MASTER PLAN – COMMUNITY SURVEY

WE NEED YOUR HELP!

The Town of Carleton Place has initiated the process to create and implement a Fire Service Master Plan. A Fire Service Master Plan is a long-range planning tool that will guide the priorities and objectives of the Town's Fire Department for the next 10 years. It will incorporate a clear understanding of the municipality's expected growth and the impact on resources. It is meant to be a dynamic plan, and we need **YOUR INPUT** to ensure the plan fully addresses the needs of our residents both now and in the future.

General objectives include:

- a review of our current services and delivery methods
- developing recommendations to address future service requirements

To help us, serve **YOU** better, the Ocean Wave Fire Company is asking that you complete our survey. You can complete the survey online by **March 31st, 2014**. You can complete the survey by clicking on this link <https://www.surveymonkey.com/s/OWFC-CarletonPlace> or using your mobile device with the following code:

If you wish, paper copies of the survey are available at all municipal buildings or by calling 613-257-5526.
