**EMERGENCY PREPAREDNESS
WEEK 2013
MAY 5TH TO MAY 11TH**

IN THE TOWN OF CARLETON PLACE

At the Council meeting of Tuesday, April 23rd 2013, Mayor Wendy LeBlanc on behalf of The Council of The Town of Carleton Place read a Proclamation declaring the week of May 5th to May 11th

2013 as Emergency Preparedness Week in the said community.

The purpose of Emergency Preparedness Week is to raise the awareness of the importance of planning ahead for emergencies. Knowledge of the risks and a practical plan can help reduce fear and aid in the recovery from emergency situations.

The best way to deal with an emergency is to be prepared so that when a disaster or an accident occurs, you can minimize the impact on the lives of the residents.

Important information on emergency preparedness can be obtained by visiting the Town of Carleton Place web site at www.carletonplace.ca

Information and brochures on emergency preparedness can also be obtained by visiting the Clerk's Office of the Town Hall, located at 175 Bridge Street, Carleton Place, Ontario or the local library.
