

MEETINGS OF COUNCIL:

Tuesday, May 3

7:00 p.m. Physical Environment followed by Planning and Protection

EMERGENCY NUMBERS

Police · Fire · Ambulance 911 Emergency Only
Public Works Emergency Number 24/7 613-257-2253 info@carletonplace.ca
175 Bridge Street Carleton Place, ON K7C 2V8
613-257-6200 www.carletonplace.ca

BACKYARD COMPOST REBATE PROGRAM

In an effort to reduce the amount of waste at the curb each week the Public Works Department will be providing residents of the Town of Carleton Place a \$40 rebate for the purchase of a backyard composter. Residents may purchase a composter of their choice and then complete and submit the rebate application. For all the details and conditions please visit www.carletonplace.ca or call 613-257-2253.

SPRING LEAF COLLECTION NOTICE

We will be collecting leaves for a **limited** time only. The spring collection will **end** May 6th. **Please note due to the volume of bags it may take a few days for bags to be collected.** Leaves must be placed at the curb in paper bags before 8 a.m. Plastic bags will **NOT** be collected. Branches and other yard waste will **NOT** be collected. Starting May 7th, residents can use our compost facility on Patterson Crescent on Saturday mornings (8am-noon) to dispose of yard waste. The compost yard only will also be open Wednesday evenings starting May 11th, 3 p.m. to 8 p.m.

BARE ROOT TREE SALE

To ensure our tree population is maintained we are offering trees to residents at a subsidized rate of \$20. Large trees (Sugar Maple, Red Oak, Hackberry) and small trees (Russian Mountain, Crab Apple (edible), McIntosh Apple) are available for purchase. Trees are only available to taxpayers of the Town of Carleton Place and must be planted within the Town limits. Residents must call 613-257-2253 to register for the information session in order to be placed on the list for a tree. Vouchers for the trees will be given out at the information session (May 3). Trees are provided on a first come first serve basis and are limited

to 2 trees per household. The information session is open to the public for general information regarding tree planting and maintenance.

HYDRANT FLUSHING PROGRAM

From April 18th through May 16th Public Works will be conducting an intensive hydrant flushing program and fire flow testing throughout the Town. During this time, it is possible the water may appear slightly discolored within the general area that flushing is taking place. Should this occur, turn on your cold water tap and allow the water run for 20-30 minutes. Should you have additional concerns, please contact the Public Works Office, 613-257-2253
