- **Town Hall** located at 175 Bridge Street will be closed. Business will resume as usual on Monday, July 4

LAWN WATERING RESTRICTIONS

Once again the Public Works and By-law Enforcement Departments are requesting that residents reduce outdoor water consumption until further notice. The lack of precipitation has resulted in a substantial increase on demand for water from our water treatment plant. It is vital that residents strictly adhere to the Lawn Watering By-law (By-law 19-2002).

The By-law Department will be increasing enforcement on those who are in violation. The fine for violating the by-law is \$55.00.

By-law 19-2002 regulates the consumption and use of water from May 1st to September 30th. The following regulations apply:

- No person using the Town of Carleton Place water supply system shall water from more than one connection
- Residents occupying an even-numbered address may water on even-numbered calendar days only
- Residents occupying an odd-numbered address may water on odd-numbered calendar days only
- Watering is allowed only between the hours of 5:00 a.m. and 9:00 a.m., and between the hours of 7:00 p.m. and 11 p.m.

Should you have any questions regarding the Lawn Watering By-law, please review the by-law on our website or contact the By-law Department at 613-257-5688.
