PITCH IN WEEK APRIL 17-23

Pitch In Week is scheduled for April 17-23 but why not get a head start. Bring a bag when you are out for a walk enjoying the weather and pick up garbage along the way. Bring the kids and make it a family challenge. Tidying up the Town is a responsibility to be shared by all residents.

ANNUAL RECYCLING DAY EVENT

Carleton Place Environmental Advisory Committee (CPEAC) will no longer be holding our annual Recycling Day Event. CPEAC now feels confident to leave recycling to other local sources that have set up and improved their practices. One such initiative is that The Town

of Carleton Place has partnered with Stewardship Ontario and set up a permanent blue bin for the recycling of electronics at the Public Works Yard on Franklin Street.

CPEAC would like to thank our sponsors during these past years for making our annual event so successful: TTER, RONA, Tim Hortons; CAA Eastern Ontario; Carleton Place Nursery; Wayne Cavanagh (Jack FM); our volunteers and the public.

From 2010 to 2015, TTER picked up 98.3 tons of electronics, electrical good and white goods; Rona picked up 14,410 gallons of paint, 2,750 pounds of batteries and over 1,000 CFBs.

COMMUNITY ENRICHMENT GRANTS

In order to streamline the process, the Town of Carleton Place has changed the grant application intake to once a year. Community groups looking for financial assistance for their event have until March 31, 2016 to apply.

The funding application package can be found on our website at <http://carletonplace.ca/planningspecialeventsp97.php>

SPRING HOME AND FASHION SHOW – APRIL 8, 9, 10
