To participate, place unwanted re-usable household items at the curb in front of your home on June 3 with a sign or stickers indicating FREE for take-away by neighbours and other residents. Freecycle happens rain or shine - use your discretion when deciding whether to put items at the curb.

Examples of 'freecycling' items include: books, CDs and DVDs; furniture, electronics and small appliances; sports equipment and toys; yard and gardening tools and equipment (e.g., lawn mowers, snow blowers, rakes, shovels); kitchen gadgets, dishes, cutlery, pots and pans; construction materials (e.g., nails, paint, wood); and clothing.

Items not picked up by 9 pm Sunday evening are the responsibility of the homeowner/residents and must be returned to their homes. Leftover objects will not be collected by the Town.
