2018 FALL LEAF COLLECTION NOTICE

The curb side collection of leaves begins on Monday November 5th. The collection period is limited and will end November 16th.

Due to the massive volume of leaves that are placed at the curb, Public Works is requesting your patience as it will take some time for the leaves to be collected. Please leave your bags at the curb and we will do our best to collect them in a timely manner.

Please follow these few rules to ensure collection in a timely manner:

- Leaves must be placed at the curb in paper bags before 8am.
- Leaves in plastic bags will NOT be collected!
- Bags of leaves must NOT exceed 15kgs (33lbs). Bags exceeding the weight limit will NOT be collected.

Leaves placed at the curb prior to November 5th will NOT be collected. Residents can deliver yard waste to the compost yard each Saturday 8am – Noon until November 17th (weather permitting).

IMPORTANT INFORMATION WASTE COLLECTION

The Carleton Place Town Hall will be closed on **November 12, 2018** in honor of Remembrance Day however; garbage and recycling collection will be collected as normal on November 12th.

For information about waste collection in Carleton Place, please visit our website, www.carletonplace.ca

NOTICE OF 3RD PUBLIC CONSULTATION CENTRE

MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT FOR REPLACEMENT OF THE CENTRAL BRIDGE

The Central Bridge, located on Bridge Street in downtown Carleton Place, is the central link across the Mississippi River. The bridge was constructed in 1928 and rehabilitated in 1983. Recent inspections of the bridge identified structural deficiencies and insufficient load carrying capacity.

The Town of Carleton Place is considering options to replace the Central Bridge to address the identified structural deficiencies and to serve the Town for years to come. The project works will also include consideration for additional pedestrian facilities and repairs to Gillies Bridge, and potential widening of the other single lane bridge to McArthur Island further to the east, with relocation of utilities undertaken as required.

The project is being completed as a **Schedule "C"** project in accordance with the **Municipal Class Environmental Assessment** (October 2000, amended in 2007, 2011 & 2015). As such, extensive public and technical agency consultation will play a key role in developing the study recommendations. Preliminary project information and planning alternatives were presented at the 1st and 2nd Public Consultation Centres.

A 3rd Public Consultation Centre (PCC) is being scheduled to present alternative design concepts of the preferred solutions for replacement of the Central Bridge, improvements to the McArthur Island bridges, and relocation of the trunk watermain.

The PCC will be held as an informal "Open House with materials pertaining to the study on display and members of the project team on hand to answer questions and discuss issues related to the project.

Public Consultation Centre #3:

Date: Monday November 19, 2018

Time: 4:00 pm to 7:30 pm

Location: Town Hall – Auditorium (175 Bridge Street, Carleton Place, ON)

If you would like more information prior to the public consultation centre or to be added to the study mailing list, please contact one of the following members of the Project Team:
