- (c) it is in the process of receiving or discharging passengers.

14. Receiving or Discharging Accessible parking permit holders

The provisions of Section 12 of this By-law relating to stopping do not apply to prevent the stopping of a passenger motor vehicle for the purpose of and while actually engaged in receiving or discharging an Accessible parking permit holder.

15. Maximum Parking Limit

(1) Specified Parking Period - Specified Highways - Schedule III

When authorized signs have been erected, no person shall park a vehicle or permit a vehicle to remain parked on any highway at the side and between the limits set out respectively in columns 1, 2 and 3 of Schedule 'III' to this By-law during the times or days set out in Column 4 of the said Schedule for a longer period of time than is set out in column 5 of the said Schedule.

(2) General Limit - Unreasonable Period

Subject to the other provisions of this By-law, no person shall park a vehicle or permit a vehicle to remain parked on any highway for an unreasonable period of time having regard to the traffic on such highway and the traffic requirements of such highway, and in no case for a period of time longer than forty-eight hours.

(3) General Limit - Heavy Vehicles

Subject to the other provisions of this By-law, no person shall park a heavy truck (refer to Part 1 - Definitions) on any highway for an unreasonable period of time having regard to the Traffic on such highway and the traffic requirements of such highway, and in no case for a period of time longer than four (4) hours.

16. Angle Parking

(1) Pavement Markings

Where an angle parking space is designated by lines or other markings on the roadway, or otherwise, no person shall stop, stand or park a vehicle or permit a vehicle to remain parked or standing therein except within an area so designated as a parking space.

(2) Angle

Where angle parking is permitted on a highway, no person shall stop, stand or park any vehicle or permit a vehicle to remain parked or standing except at the angles designated by signs or markings.

(3) Method of Parking

Where other than right angle 90 degrees parking is permitted on a highway, no person shall park a vehicle or permit a vehicle to remain parked on such highway except with the front end of the vehicle at the curb or edge of the roadway.

(4) Highway for Angle Parking - Schedule 'IV'

Angle parking is permitted on the highways at the sides and between the limits set out respectively in Columns 1, 2 and 3 of Schedule 'IV' to this By-law.

PART III

TRAFFIC MOVEMENTS, TURNS, STOPS, YIELDS

MULTI-LANED HIGHWAYS, TRAFFIC SIGNALS, ONE-WAY HIGHWAYS

17. Through Highways - Schedule 'V'

- (1) The highways set out in column 1 of Schedule 'V' to this By-law between the limits set out in column 2 of the said Schedule, are, except as provided in subsection 2 of this Section, hereby designated as through highways for the purpose of The Highway Traffic Act.
- (2) The designation set out in subsection 1 of this Section of a highway or part of a highway as a through highway shall not include any intersection thereon where the highway intersected is a King's Highway or where traffic control signals are installed.

18. Stop Signs at Intersections - Schedule 'VI'

The Corporation shall erect stop signs at the intersections set out in Column 1 of Schedule 'VI' of this By-law facing traffic proceeding in the direction set out in Column 2 of the said Schedule on the highway or part of highway set out in Column 3 of the said schedule.

19. Signal Light Traffic Control Systems - Schedule 'VIII'

The Corporation shall erect and operate signal light traffic control systems at the intersections and places named and described in Schedule 'VII' to this By-law.

20. Yield Signs at Intersections – Schedule 'VIII'

The Corporation shall erect yield right-of-way signs at each of the intersections set out in Column 1 of Schedule 'VIII' to this By-law for the control of traffic entering the intersection in the direction set out in Column 3 and from the highway set out in Column 2 of the said Schedule.

21. U-Turns

Where a U-turn is not otherwise prohibited under this By-law, such a turn shall be made only where it can be made in safety and without interfering with other traffic.

22. One-Way Highways - Schedule 'IX'

The highways set out in Column 1 of Schedule 'IX' to this By-law between the limits set out in Column 2 of the said Schedule during the times or days set out in Column 3 of the said Schedule are established as one-way highways for the passing of vehicles only in the direction set out in Column 4 of the said Schedule.

PART IV - SPEED REGULATIONS

23. Decreased Speed Limits in Parks - Schedule 'X'

When signs have been erected at the vehicular entrances to any public park or exhibition grounds set out in Column 1 of Schedule 'X', the maximum rate of speed in such public park or exhibition grounds shall be the rate of speed set out in column 2 of the said Schedule.

24. Decreased Speed Limits in School Areas - Schedule 'XI'

The highways set out in Column 1 of Schedule 'XI' to this By-law between the limits set out in Column 2 of the said Schedule shall not be traveled in excess of the maximum rate of speed set out in Column 3 of the said Schedule.

PART V - DRIVING AND RELATED RULES

25. Emerging From Lanes

The driver or operator of a vehicle emerging from a driveway, laneway, lot, building or bus loop onto a highway shall, upon driving onto a sidewalk or footpath, yield the right-of-way to pedestrians upon such sidewalk or footpath.

26. Barricaded Highways

No person shall drive, operate or park a vehicle or permit a vehicle to remain parked on any part of any highway barricaded and marked by signs showing that its use for the time is prohibited or restricted.

27. Coasting on Roadways

No person shall coast, whether on a sleigh, skateboard, cart, express wagon or toboggan on a roadway.

28. Traffic Control at Fires

- (1) No person shall move or operate a vehicle other than a Police or Fire Department vehicle on any highway within ninety-one (91m) of a fire, fire apparatus or fire-fighting equipment, except as directed by a Constable or Officer of the Fire Department.
- (2) Unless directed by a Constable or Officer of the Fire Department no person shall drive a vehicle over a fire hose on any highway.

29. Racing Prohibited

No person shall drive a vehicle or bicycle on a highway in a race or on a bet or wager.

30. Vehicles Obstructing Traffic

No person shall drive or park a vehicle or permit a vehicle to be driven or parked on a highway in such a manner as to obstruct traffic.

31. Emergency Regulations

Notwithstanding any provisions of the By-law, to the contrary, a Police Officer may during any emergency or special circumstance by the erection of appropriate signs or signals, prohibit the movement of vehicles on any street or part of a street and no person shall drive or operate a vehicle in contravention of any such signs or signal.

32. Funeral and Other Processions

- (1) No person shall, except under the direction of a Police Officer, drive or operate a vehicle on a highway between vehicles comprising a funeral cortege or other procession recognizable as such by the display of pennants or other identifying insignia while the vehicles in such procession are in motion.

- (2) No person shall drive a vehicle in a funeral cortege or other procession on a highway except as near to the right hand edge of the roadway as practicable and follow the vehicle ahead as close as is practicable safe.

33. Vehicles Crossing Sidewalks, Boulevards and Curbs

(1) Vehicles on Sidewalks Prohibited

No person shall drive a vehicle upon a sidewalk or footpath on a highway except for the purpose of directly crossing the sidewalk or footpath. This subsection shall not apply to invalid chairs, baby carriages, tricycles, children's wagons, or a youth bike with training wheels.

(2) Curb and Sidewalk Depressions

No person shall drive a vehicle over a raised curb or sidewalk except at a place where there is a ramp, rolled curb, or depressed curb provided however, this Section shall not apply to invalid chairs, baby carriages, tricycles, children's wagons or a youth's bike with training wheels.

(3) Vehicles on Boulevards Prohibited

No person shall drive any vehicle on any boulevard except for the purpose of directly crossing a boulevard at a driveway or other designated vehicular crossing.

34. Motorcycles

No person operating a motorcycle on a street shall carry on such motorcycle more persons than the motorcycle is designed and properly equipped to carry.

35. Boarding and Alighting from Moving Vehicles

No person shall board or alight from any vehicle while such vehicle is in motion.

36. Obedience to Police Officers, Traffic Signs and Traffic Control Signals

Notwithstanding any provisions of this By-law, every person shall promptly obey all signals given by a traffic control signal, traffic control device of a traffic sign and all directions given by a Police Officer or of any Officer having jurisdiction over the regulation of traffic on a highway including a school-crossing guard, appointed by

the Corporation, and nothing in the by-law shall affect the powers to regulate traffic held by the Board of Commissioners of Police.

37. Exemption - Municipal Vehicles Performing Work on Highways

The provisions of this By-law do not apply to vehicles of the Corporation or vehicles working on behalf of the Corporation while such vehicles are engaged in the performance of cleaning, clearing, maintenance, repair, construction or other work on any highway.

38. Emergency Vehicles – Exemption

This By-law shall not, in the case of emergency, apply to ambulances or police, fire or emergency measures department vehicle.

PART VI - PEDESTRIANS AND PEDESTRIAN MALLS

39. Pedestrian to Yield to Vehicular Traffic

Except where traffic control signals are in operation or where traffic is being controlled by a Constable or crossing guard, a pedestrian crossing a highway shall yield the right-of-way to all vehicles upon the roadway, but nothing in this section shall relieve the driver of a vehicle from the obligation of taking all due care to avoid an accident.

40. Pedestrians Prohibited on Roadway

Except for the purpose of crossing a roadway where there is a sidewalk that is reasonably passable on one side or on both sides of a roadway, no person shall walk on the roadway.

41. Pedestrian Barriers

No pedestrian shall proceed over or go under a barrier permanently installed on a sidewalk, or any other location within a highway.

PART VII - SCHOOL CROSSING GUARDS

42. Appointment and Duties

- (1) The Corporation may appoint school crossing guards to direct traffic during the school year at such places where, in the interests of the safety of pedestrians, the Physical Environment Committee of

Council deems it necessary.

- (2) It shall be the duty of the school crossing guards to be present at their appointed places within such times as shall be specified by the OPP Inspector or designate, and to direct traffic, both pedestrian and motor vehicle, in such a manner as to ensure the safety of pedestrians crossing the street and in accordance with the authority of the Highway and Traffic Act R.S.O. 1990.

PART VIII - MOTORIZED SNOW VEHICLES

43. Application

Subject to the Provisions of By-law No. 19-92, the provisions of this By-law regulating the movement and parking of vehicles shall apply mutatis mutandis to motorized snow vehicles.

PART IX - BICYCLES

44. Bicycles

- (1) A person driving a bicycle upon a roadway shall:
 - (a) drive as near to the right-hand side of the roadway as practicable, and
 - (b) exercise due care when passing a parked, stopped or standing vehicle or one proceeding in the same direction.
- (2) A person operating a bicycle upon a highway designated for one-way traffic shall:
 - (a) drive as near the right hand or left-hand side of the roadway as practicable, and
 - (b) exercise due care when passing a standing vehicle or one proceeding in the same direction.
- (3) Persons operating bicycles upon a roadway shall do so in a single file.

- (4) No person operating a bicycle shall carry any package, bundle or article which prevents the rider from keeping both hands on the handlebars.
- (5) No person riding a bicycle or tricycle on a highway shall remove his feet from the pedals while the bicycle or tricycle is in motion.
- (6) No person shall park a bicycle on a highway except in such manner as to cause the least possible obstruction to pedestrian or vehicular traffic.
- (7) A person riding upon a bicycle, a coaster, roller skates, skis, a toboggan, a sled or a toy vehicle shall not attach it or them to a vehicle on a roadway.
- (8) No person riding on a bicycle designed for carrying one person only shall carry any other persons thereon.
- (9) No person shall attach himself to the outside of a vehicle on a roadway for the purpose of being drawn along the roadway.

PART X

ACCESSIBLE³⁰ PARKING

45. Accessible Parking³¹

Number of Parking Spaces

- (1) Every owner or operator of a Public Parking Area shall provide Accessible Parking Spaces in conformity with the provisions of this By-law for the use of vehicles with permits.
- (2) The minimum number and type of Accessible Parking Spaces which must be provided shall be calculated in accordance with the Town's current Development Permit By-law, as may be amended from time to time.

³⁰ Amended by By-law 06-2023 - All instances of the term "Handicapped" replaced with the term "Accessible"

³¹ Section 45 repealed and replaced by By-law 67-2025

- (3) Every owner or operator of a Public Parking Area may voluntarily provide a number of Accessible Parking Spaces above and beyond the requirements of the Town's current Development Permit By-law.

Accessible Parking Spaces

- (4) Every Accessible Parking Space shall:
- (a) have an unobstructed rectangular area with a minimum width of 3400 mm and a minimum depth of 6000 mm for a single off-street Type A Parking Space;
 - (b) have an unobstructed rectangular area with a minimum width of 2750 mm and a minimum depth of 6000 mm for a single off-street Type B Parking Space;
 - (c) be distinctly indicated with Pavement Markings containing the International Symbol of Access which includes a 1525 mm x 1525 mm white border and symbol with a blue background field colour;
 - (d) be comprised of a stable surface such as asphalt, concrete, pervious materials or other hard-surfaced material;
 - (e) be drained so as to control the pooling of surface water and prevent the flow of surface water to adjacent lands;
 - (f) be readily accessible to an Accessible Parking Permit Holder, whether via ramps, depressed curbs or other appropriate means and where the Public Parking Area is intended to serve a particular building or complex, located within easy access of said building or complex;
 - (g) be placed with sufficient clearance around the vehicle in terms of other vehicles or obstacles such as light standards or waste receptacles;
 - (h) have an accessible path of travel by means of an access with a width of 1.5 m and which runs the length of the parking space and is marked by high-tonal contrast lines.
 - (i) be distinctly identified in accordance with the requirements of the Highway Traffic Act and the regulations made thereunder.

Responsibility of Maintaining Accessible Parking Spaces

- (5) Every Accessible Parking Space shall be kept free and clear from obstructions, and kept free and clear of snow, ice or other material which could render the parking space unusable.

Accessible Parking Signs

- (6) Authorized signs for parking spaces for persons with disabilities shall comply with the signs described under Section 11 of Ontario Regulation 581 made under the Highway Traffic Act.
- (7) The owner and operator of an obligated organization shall be jointly responsible for the procurement and installation of the authorized signs.
- (8) The owner and operator of an obligated organization shall be jointly responsible:
 - (a) for the maintenance of the authorized signs which shall include repainting when necessary; and
 - (b) for ensuring that the shape, symbols and colours of the authorized signs conform to the provisions of this by-law.

Exemptions

- (9) The provisions of this By-law shall not apply to an Authorized Emergency Vehicle and shall also not apply to any vehicles while engaged in works undertaken for or on behalf of the Town.

Prohibitions

- (10) No person shall Park, Stop or leave a vehicle in an Accessible Parking Space unless:
 - (a) a valid Accessible Parking Permit is properly displayed upon the vehicle ensuring the permit number and expiry date are clearly visible; and
 - (b) the vehicle is positioned fully within the Accessible Parking Space; and
- (11) No fee shall be charged for the use of an Accessible Parking Space in excess of that fee charged to other members of the general public in request of the abutting non-Accessible Parking Spaces.

PART XI - MUNICIPAL PARKING LOTS

46. Municipal Parking Lots

- (1) No person shall park a vehicle or permit a vehicle to remain parked in a Municipal Parking Lot for a period of time longer than four hours between 7:00 a.m. and 11:00 p.m. without first obtaining a parking permit.
- (2) Notwithstanding the above, the Municipal Parking Lot on Allan Street will have no restrictions in regards to the length of time parked, nor shall a permit be required to park there.
- (3) Except where provided elsewhere in this By-law, there shall be no limitations for all Municipal Parking Lots between 11:00 p.m. and 7:00 a.m.
- (4) Annual, six months, one day and guest parking permits are available for purchase to the public. The permit validation will begin upon date of purchase.
- (5) No person shall park a vehicle or permit a vehicle to remain parked in such a manner that it is not wholly within the area designated as a parking space unless the vehicle is of such length as to render it impossible to park it in one parking space, in which case the adjoining parking space may, in addition, be used but in no case shall any person park a vehicle or permit a vehicle to remain parked in such manner as to obstruct the parking lot entrance, exit or roadway that is laid out for the movement of vehicles through the parking lot.

PART XII - SIGNS

47. Erection of Signs, Traffic Signals, Etc.

The Town Engineer is hereby authorized and directed to erect and maintain such signs, traffic control signals, markings, barricades, traffic control devices and other structures, plants and equipment as are required to give effect to this by-law and as required to regulate, direct, warn or guide pedestrian and vehicular traffic for the safety and convenience of the public.

48. Signs by OPP Inspector or Designate

The OPP Inspector or designate may erect, place and maintain such authorized signs as are required to give effect to the provisions of this By-law

coming within his jurisdiction for emergency purposes.

49. Conflicting Private Signs

No person shall place, maintain or display upon or be visible from any highway any sign, signal, marking or device which:

- (d) conceals a traffic control device, traffic signal or parking meter
from view;
- (e) interferes with the effectiveness of a traffic control device,
traffic control signal or parking meter, or;
- (f) purports to be or is an imitation of or resembles any
official or authorized sign, traffic control signal or traffic
control device.

50. Defacing Signs and Traffic Signals

No person shall move, remove, deface or in any manner interfere with any sign, traffic control signal, marking or other traffic control device placed, erected or maintained under this By-law.

51. Freshly Painted Lines on Roadway

No person shall willfully drive any vehicle over any marking on the roadway where markers are in place to indicate that the marking material has been freshly applied nor shall any person drive into or over any markers so placed.

PART XIII-OFFENCES AND PENALTIES

52. Penalties

Any person who contravenes any of the provisions of this By-law and the procedures with respect thereto is guilty of an offence, and the enforcement and the penalty imposed thereunder shall be subject to the provisions of *The Provincial Offences Act*, R.S.O. 1990 Chapter P.33 and any amendments thereto, and the penalty for the commission of any such offence shall be as provided for in the said *Provincial Offences Act*.

53. Early Payment and Voluntary Payment of Parking Penalty

Notwithstanding all other provisions of this By-law with respect to penalties for violations of the provisions relating to parking hereinafter set out, any person may upon presentation of a Parking Infraction Notice at

the Office listed on the Notice, pay out of Court within the set time specified on the Notice the amount stipulated for early payment of set fine as the case may be and upon such payment no further proceedings shall be taken under this By-law in respect to the said offence alleged on the Notice. A receipt for payment signed by the person assigned to the duty of receiving payment shall be evidence of payment of the penalty alleged in the Notice.

54. Vehicles Subject to Removal When Illegally Parked

A Police Officer, Police Cadet, Municipal Law Enforcement Officer or an Officer appointed for carrying out the provisions of the Highway Traffic Act, upon discovery of any vehicle parked or left in contravention of this By-law, may cause it to be moved or taken to and placed or stored in a suitable place and all costs and charges for removing, caring and storage thereof, if any, are a lien upon the vehicle which may be enforced in the manner provided by The Repair and Storage Liens Act, R.S.O 1990 Chapter R. 25.

55. Liability of Owner

The owner of a vehicle may be charged with and convicted of an offence under this By-law for which the driver of the vehicle is subject to be charged unless, at the time of the offence, the vehicle was in the possession of some person other than the owner without the owner's consent and on conviction the owner is liable to the penalty prescribed or provided for the offence.

PART XIV - APPLICATION AND ADMINISTRATION

56. Enforcement

This By-law shall be enforced by the OPP Inspector or designate, the Municipal Law Enforcement Officers for the Town of Carleton Place and any other person employed to enforce the rules of this by-law.

57. Application of By-law

This By-law applies to all highways under the jurisdiction of the Corporation of the Town of Carleton Place

58. By-law Subject to Highway Traffic Act

The provisions of this By-law are subject to the provisions of The Highway Traffic Act.

59. Schedules Adopted

The Schedules referred to in this By-law shall-form part of this By-law and each entry in a column of such a Schedule shall be read in conjunction with the entry of entries across therefrom, and not otherwise.

60. Former By-laws Repealed

That By-law No. 39-2003 the Traffic and Parking By-law and amendments thereto is hereby repealed.

PART “B”

”

61. Parking on Private Property

No person shall park or leave any motor vehicle on private property without authority from the owner or occupant of such property.

62. Removal of Vehicles Parked on Private Property

Whenever a motor vehicle is parked or left on private property without the express authority of the owner of such property, a Constable or any Officer appointed for the carrying out of the provisions of Section 170, subsection 15 of The Highway Traffic Act, R.S.O. 1990, c.48, upon the written complaint of the occupant or any adult resident of the property, shall cause the said motor vehicle to be moved or taken to and placed or stored in a suitable place and all costs and charges for removing, care and storage thereof, if any, shall be paid by the owner of the said vehicle and such costs and charges shall be a lien upon the said motor vehicle which may be enforced in the manner provided by The Repair and Storage Liens Act, R.S.O. 1990.

63. Note: Schedules 'I' through 'XX' are part of this By-law.

64. This By-law shall not take effect until an order regarding set fines have been approved by the appropriate Judge of the Ontario Court of Justice Provincial Division.
