BARE ROOT TREE PLANTING PROGRAM

In efforts to ensure the Town of Carleton Place's tree population is maintained and enhanced for years to come, we are making trees available to Town of Carleton Place residents at a subsidized rate. For **\$20.00** (taxes included) a tree of 25mm (1 inch) in thickness and 6' to 8' in height will be made available.

Species available are:

Large Trees

Autumn Blaze Maple
Red Oak
Hackberry

Smaller Trees

Honey Locust
Showy Mountain Ash
Flowering Crabapple (Edible)
MacIntosh Apple

Prior to selecting your tree please consider the proposed location for the tree. Please ensure it will have sufficient space and is size for the location in years to come.

Vouchers for trees will be available for collection at one information session that will be held at the Arena (75 Neelin Street):

Wednesday May 1st start time is 7:00 p.m.

Because these trees are subsidized anyone who has their name on a tree list must attend (or have previously attended) the information session to be eligible for a tree voucher.

Residents **must call** prior to the session in order to be placed on a list for a tree. Call 257-2253 to have your name placed on the list or leave a message providing your **name, address, telephone number and tree desired** and your name will be placed on the list.

There are a limited number of trees available. Trees will be provided on a first come first served basis and a limit of 2 trees per household.

These trees are available ONLY to taxpayers of the Town of Carleton Place and must be planted within Town limits.

Information sessions are open to the public for general information regarding tree planting and maintenance.
