MUNICIPAL UPDATES

Dual Stream Recycling – The Carleton Place Public Works Department has prepared a [short video](#) which outlines some of the main components of the new dual stream recycling program.

PROVINCIAL UPDATES

Ontario Launches Independent Long-Term Care COVID-19 Commission - The Ontario government has launched an independent commission into COVID-19 and long-term care. Three commissioners will investigate how COVID-19 spread within long-term care homes, how residents, staff, and families were impacted, and the adequacy of measures taken by the province and other parties to prevent, isolate and contain the virus. The commission will also provide the government with guidance on how to better protect long-term care home residents and staff from any future outbreaks.

Ontario Moving Toronto and Peel Region into Stage 3 - Additional businesses and public spaces will be reopening as the Ontario government allows the City of Toronto and Peel Region to move into Stage 3 of reopening the province on Friday, July 31st at 12:01 a.m. This decision was made in consultation with the Chief Medical Officer of Health and local medical officers of health. It is based on positive local trends of key public health indicators, including lower transmission of COVID-19, ongoing hospital capacity, public health capacity to conduct rapid case and contact management, and a significant increase in testing.
