MUNICIPAL UPDATES

Saturday Swim Lessons - The Carleton Place Aquatic Centre is pleased to share that Saturday swimming lessons will resume starting Saturday, August 15th. Pre-registration is required for all lessons. Please ensure that you review the [new safety measures](#) prior to arriving for your lesson. To register, please call (613) 257-1005, extension 21. For more information, please visit www.carletonplace.ca

PROVINCIAL UPDATES

Ontario Supporting Non-Profits as Province Recovers from COVID-19 - The Ontario government is investing \$83 million through the Ontario Trillium Foundation (OTF) to provide grants to help eligible non-profit organizations, including food banks, child and youth programs and Royal Canadian Legion branches, recover from COVID-19 and continue the delivery of vital programming in their communities.

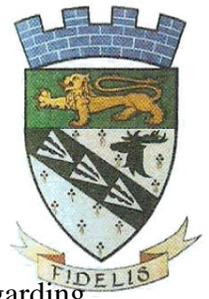

OTHER UPDATES

Lanark County 2019 Transportation Survey - Lanark County is developing a Climate Action Plan (CAP). The CAP looks at both municipal operations (municipal buildings and garages, street lighting, municipal vehicles, water, and waste) as well as community operations (homes, businesses, transportation and energy use). This plan will work through the Federation of Canadian Municipalities' (FCM) milestone process to identify ways Lanark County and its community members can minimize greenhouse gas generation and reduce overall energy costs. Your input via a [completed survey](#) would be appreciated. The survey is completely

anonymous. The answers will help create everlasting change for generations to come regarding transportation and energy. When taking this survey, choose the best response that describes your transportation and travel situation in the year of 2019.

Lanark County Gypsy Moth Challenge – Let’s make a difference in invasive species impacting our environment. Starting September 1st, the County of Lanark is issuing a challenge to help eliminate the Gypsy Moth in our region. All participants will be entered into a draw for the chance to win 1 of 3 Lanark County themed prizes. If participating, please send your name and email address to hfleming@lanarkcounty.ca. The winners will be announced at 1:00 p.m. on September 28th.

Instructions: Observe Trees Around Your Property for Gypsy Moth Egg Masses

1. Place your catchment container below the egg mass.
2. Use your scraper tool to remove the egg mass from the surface. Ensure that all eggs are scraped. Try not to leave any residual eggs in bark ridges or crevices.
3. Empty the contents of your catchment container or bag into a bucket of soapy water.
4. Leave the eggs sitting in the bucket for a day or two, then dispose of the content.

We encourage you to take pictures and share experiences of your egg mass collection with us!
