**Construction Update – August 6<sup>th</sup>** - Unfortunately, the heavy rainfalls that we experienced over the past week has had an impact on Cavanagh’s construction activities. The Town of Carleton Place would like to advise our residents of the following activities for the coming week:

### **Patterson Crescent**

Landscaping crews will be on site in the coming days to reinstate lawns where required. Crews will also be returning to adjust iron structures to their proper height in preparation for the final lift of asphalt.

### **High Street**

Cavanagh’s crews will be installing catch basins and storm leads in identified locations.
