PROVINCIAL GOVERNMENT UPDATES

The Government of Ontario has opened a [survey](#) intended for the general public to provide feedback to help develop a plan for economic recovery. The survey should only take 5-10 minutes to fill out.

Today, Christine Elliott, Deputy Premier and Minister of Health, [issued a statement](#) about multisystem inflammatory vasculitis, which appears to be similar to Kawasaki Syndrome, in children and COVID-19.

The Ontario government has [adopted an emergency order](#) allowing the province to issue a mandatory management order for a long-term care home struggling to deal with a COVID-19 outbreak. This order would support the use of rapid, immediate and effective management alternatives to protect residents and staff within a home.

The Ontario government is [working together with the province's education sector](#) to voluntarily place available employees in staffing roles needed at congregate care settings during the COVID-19 outbreak.

OTHER UPDATES

Leeds, Grenville and Lanark District Health Unit

With the long weekend approaching, it may be tempting to head out to a cottage. But before heading out, we would like everyone to really think through their decision. [Consider the impact](#) your decision has on your family and your neighbours, as well as, the demands on the local community and health care system.
