CP SCOOP – December 3rd, 2020

MUNICIPAL UPDATES

Reminder – Santa Routes – Santa Claus is coming to Town! Come get in the Christmas spirit with us! Join us for some music, lights, and Christmas magic. Santa will be touring local neighbourhoods via three (3) different routes this weekend. We encourage you to visit the Carleton Place Recreation & Culture Department Facebook Page to see the detailed maps that outline exactly when/where Santa will be.

The Ocean Wave Fire Company will be collecting non-perishable food items for the Lanark County Food Bank. If you would like to make a donation, we invite you to drop off your donation to the closest stop sign from your house, and our firefighters will pick them up as they go by!

For more information please visit our Facebook page, email: jhansen@carletonplace.ca, or call (613) 257-1690.

FEDERAL UPDATES

Government Introduces Legislation to Provide Critical Support to Canadians and Businesses During the Pandemic - Deputy Prime Minister and Finance Minister, the Honourable Chrystia Freeland, introduced Bill C-14, *An Act to implement certain provisions of the economic statement tabled in Parliament on November 30, 2020 and other measures*. Bill C-14 is an essential step to implement measures from the *Fall Economic Statement* that would provide assistance to families with young children, support students, and invest in resources to protect the health and safety of Canadians.

PROVINCIAL UPDATES

Investing in Ontario's Tourism Industry During COVID-19 - The Ontario government is investing nearly $4.4 million to support the long-term sustainability of the province's vital tourism industry. This funding will help deliver innovative, safe experiences, like virtual festivals and events, and support tourism operators as they deal with the impacts of COVID-19.

OTHER UPDATES

Leeds, Grenville and Lanark District Health Unit - Outbreak declared at Sherwood Park Manor in Brockville - The Health Unit is working with Sherwood Park Manor in Brockville to manage a COVID-19 outbreak. One resident has tested positive for COVID-19. Enhanced infection control measures under the Long-

Term Care Home Act have been put in place to manage the outbreak and are being monitored by the Health Unit. The resident has been isolated in their room.
