

TOWN OF CARLETON PLACE BUILDING DEPARTMENT

175 Bridge Street, Carleton Place, ON, K7C 2V8 – (613) 257-6204
buildingadmin@carletonplace.ca

SERVICE DISCONNECTION AND SAFETY WAIVER

Please ensure that you have consulted the following agencies/entities and that you organize the safe disconnection or removal of services and make safe all items required by these agencies prior to demolition:

- Hydro One
- Enbridge Gas
- Bell
- Cable Service Provider
- Carleton Place Public Works – Water, Sanitary and Storm sewer capping
- Carleton Place Engineering – Pump Station protection during demolition
- All other Locates that are relevant to the removal of the multi residential dwelling unit

By signing this document you understand that it is your sole responsibility to ensure that all services are disconnected/removed or made safe professionally and that you contact each agency to inform them of the work, prior to demolition.

This list is the main agency/entity list that the is normally consulted in the Town during demolitions. Any agencies/entities not mentioned on this list but are clearly relevant will still need to be consulted by the applicant prior to work taking place.
