Admission / Supervision Policy

This policy is enforced to ensure that all children & high-risk individuals who attend the recreational swims are supervised by a competent swimmer for the duration of the visit.

- Children 5 years and younger must be accompanied by a caregiver who is responsible for their direct supervision and are within arms reach at all times. Maximum of two children for each caregiver.
- Children 6 and 7 years old, who are non-swimmers must be accompanied by a person who is at least 14 years of age and responsible for their direct supervision. Ratio 1:4 when no lifejackets are used; Ratio 1: 6 when all children are wearing a lifejacket.
- Children 8 to 10 years old, who do not pass the swim test must be accompanied by a person who is at least 14 years of age and responsible for their direct supervision. Ratio 1:4 when no lifejackets are used; Ratio 1:8 when all children are in lifejackets.
- Children 8 to 10 years old, who pass the swim test, no direct supervision is required by the caregiver; however, caregivers must remain in the building.
- Swim Test: Swim 25 meters of the pool on their front, no stopping.
- Responsible caregiver who is directly supervising children in their care must be in proper bathing attire, in the water, actively participating and within arms reach of the children in their care.
- High risk participants: Ratio is 1:1. High risk participants are defined as those who have a condition or illness that may put them at risk in an aquatic environment and those who are unable to control their behaviour or impulses and require direct supervision.
