## Drinking Water System Financial Plan

In May 2000 the Walkerton tragedy changed the management of municipal drinking water forever. As a result of Justice O'Connor's Report, Ontario implemented the Municipal Drinking

Water Licensing Program.

The Town of Carleton Place has been in the process of obtaining a Drinking Water Licence Renewal which includes:

- Drinking Water Works Permit
- Permit to Take Water
- Operational Plan which is based on the Drinking Water Quality Management Standard
- Become an Accredited Operating Authority
- Financial Plan in accordance with O. Reg. 453/07

The Town of Carleton Place has developed a Financial Plan for Carleton Place the Drinking Water System as required by O. Reg. 453/07.

The Financial Plan is available on the website, <http://carletonplace.ca/waterandsewerp94.php>.
