

Council and Committee of the Whole Meetings

September 22nd, 2020

Virtual Council and Committee of the Whole Meetings - The Town of Carleton Place Council will hold its Council and Committee of the Whole meeting via Zoom on September 22nd, 2020. Please see the Town's website for start time and associated documents. Members of the public can view the meetings online via Zoom or a live stream to the Town Hall Facebook page.

Employment Opportunity – Machine Operator II

The Town of Carleton Place – Public Works Department is seeking an individual to fill the full-time position of **Public Works Machine Operator II**. Reporting to the Public Works Superintendent, the incumbent will be responsible for performing the maintenance of the Town's infrastructure and operation of the Department's equipment. The 2020 pay range for the position is \$23.76 - \$27.39 per hour based on a 40-hour work week. A detailed job description for this position can be accessed on the [Employment Opportunities](#) page on the Town's website. Interested applicants are invited to submit an application in confidence by 11:30 a.m., September 21st, 2020, quoting "Public Works Machine Operator II".

Employment Opportunity – RECE Supply Teacher (Occasional)

Carleton Place Child Care Services is currently accepting resumes for the position of **RECE Supply Teacher (Occasional)**. In the absence of the RECE Childcare Teacher or the RECE Support Teacher, the RECE Supply Teacher (Occasional) is responsible for the care and well-being of a group of children working within specific guidelines and requirements regulated by the Child Care and Early Years Act, local Ministry of Health, Ministry of Labour and the Town of Carleton Place. The RECE Supply Teacher (Occasional) is also responsible to work with the needs of parents, other professionals and the public in regard to service information. The position will be scheduled to work irregular shifts as needed, starting as early as 6:15 A.M. and working as late as 6:00 P.M. There is a possibility that staff may be required to stay past 6:00 pm as a result of late pickup. This position requires flexibility to work with any age group, independently and/or as part of a team. Working environments and/or classrooms can change depending on the needs of the program. A detailed job description for this position can be accessed at www.carletonplace.ca/employmentopportunities. The 2020 rate of pay is \$23.76 - \$27.39 per hour. Interested applicants are invited to apply in confidence quoting "RECE Supply Teacher (Occasional)".

NOTICE OF PUBLIC OPEN HOUSE

PRESENTATION OF THE 60% DESIGN STAGE FOR THE RECONSTRUCTION OF BRIDGE STREET

The Town of Carleton Place is proceeding with the replacement of the Central Bridge, with construction scheduled to start in Spring 2022, which will include full closure of Bridge Street over the Mississippi River. Input received during previous consultations identified the benefits of undertaking the Bridge St. reconstruction while the Central Bridge was being replaced.

Bridge Street is the Commercial Centre for the Town of Carleton Place, and the central link across the Mississippi River. Reconstruction of Bridge Street will include the replacement of all hard surfaces (Asphalt, sidewalks) between Lake Avenue and Central Bridge. In addition, new decorative streetlighting, new signalized crosswalks, accessibility improvements, and enhanced streetscaping features are included in the scope of work.

It is expected that this project will result in substantial impacts to residents and businesses. As such, extensive public consultation will play a key role in project planning. Preliminary project information for the Central Bridge was presented at three Public Information Centres held in 2018-2019. Also, a Public Open House was hosted in January 2020 to solicit input from the community regarding the scope of work included in the reconstruction of Bridge St. The input received has been incorporated in the design process.

A Public Open House has been scheduled to present the status of the current design for the Reconstruction of Bridge Street, and to continue to facilitate coordination between the project team and interested residents and businesses.

The event will be held as an informal "Open House" with materials pertaining to the Project on display, and members of the project team on hand to answer questions and discuss issues related to the project.

Public Open House

Date: Wednesday, September 16th, 2020 • **Time:** 4:00 p.m. to 7:00 p.m.

Location: Small Upper Hall – Neelin Community Centre (75 Neelin Street, Carleton Place, ON)

COVID-19 measures will be in place for this open house. The number of people in the hall at one time will be restricted in accordance with provincial legislation. Face coverings will be required at all times inside the hall.

The Town will be making materials available on its website the week of September 7th for advance viewing and the provision of comments for those not able to attend the Public Open House on the 16th.

If you would like more information prior to the public open house, please contact one of the following members of the Project Team:
