

COUNCIL AND COMMITTEE OF THE WHOLE MEETINGS

September 8th, 2020

Virtual Council and Committee of the Whole Meetings - The Town of Carleton Place Council will hold its Council and Committee of the Whole meeting via Zoom on September 8th, 2020. Please see the Town's website for start time and associated documents. Members of the public can view the meetings online via Zoom or a live stream to the Town Hall Facebook page.

LABOUR DAY WASTE COLLECTION

Monday, September 7th, 2020

Garbage & recycling will be collected on **Tuesday September 8th** due to the holiday Monday.

For more information about garbage & recycling collection in the Town of Carleton Place, please visit our website, www.carletonplace.ca or download the free Carleton Place Waste Solutions App from the Google Play Store or the Apple App Store to receive information & reminders about waste and recycling collection.

DUAL STREAM RECYCLING TRANSITION PERIOD HAS ENDED

The Town of Carleton Place would like to thank residents who have embraced the dual stream collection system. We truly appreciate your efforts. As a reminder, residents are required to separate their recycling into two (2) separate streams to coincide with alternating collection weeks. Paper products must be separated from containers. Please see the waste calendar that was provided with your yellow bin to determine what materials are being collected each week. Residents can use alternative recycling containers (blue bins and store-bought recycling bins) for separating their materials. **Effective August 17th, your material will be left behind and not collected if it is not properly sorted. You will be required to correctly sort to ensure collection in the future.** If you have misplaced your brochure, a copy is available on the [Town's website](http://www.carletonplace.ca). If needed, you can receive a paper copy from the Town Hall (175 Bridge Street) or the Information Centre (170 Bridge Street). Together, we as a community can ensure we are providing the purest, uncontaminated material to market. Let's make Carleton Place a community that is moving forward to protect the environment for future generations.
