

## **National Lifeguard – POOL RECERT – Carleton Place Aquatics**

**National Lifeguard Recertification:** To remain “current”, National Lifeguards successfully complete a National Lifeguard recertification exam. The only items evaluated on a National Lifeguard recertification examination are marked with a (†) symbol in the At-a-glance list of test items, on the test sheets and in the *National Lifeguard Award Guide*.

The National Lifeguard recertification exam is your opportunity to demonstrate your skills and recertify your award. You are responsible for reviewing the required content and skills and preparing yourself for the exam. Your exam is based on the National Lifeguard Award curriculum. The required content for this curriculum can be found in your *Alert* text and the *Canadian Lifesaving Manual*. Candidates should bring a whistle, barrier devices (gloves and pocket mask) and proof of prerequisite (previous National Lifeguard).

**National Lifeguard Pool RECERT - 100% attendance is required.**
