

Tuesday, October 8th

7:00p.m Council

Followed by Committee of the Whole

2020 Water and Sewer Budget

Please Note: On October 8th, staff will present the 2020 draft water and sewer budget to the public for comment at the Committee of the Whole meeting. The draft includes a recommendation for a 5% increase to water and sewer rates. This will result in a total charge of \$935.68 per year for a residential property with one or two people; an increase of \$44.52 per year (or \$3.71 a month) over 2019 rates. The justification for the increase is primarily centered around an increase in the cost to undertake construction projects locally. Increased costs have had a significant impact on the long-term capital plan for water and sewer. The staff report is available on the Town's website at www.carletonplace.ca.

Fall Leaf Collection

With fall now upon us, Public Works would like to encourage residents to deliver leaf and yard waste to the compost yard at 128 Patterson Crescent. The facility is open each Saturday from 8am to Noon until November 16th.

The curb side collection of leaves **begins** on Monday November 4th. The collection period is limited and will end November 15th. Leaves placed at the curb prior to November 4th will **NOT** be collected.

Residents should also be aware the Household Hazardous Waste Depot is now closed and will reopen May 16, 2020.

Committee Vacancies

Interested residents and/or landowners of property within the Town of Carleton Place are encouraged to submit their name for consideration by Council to fill vacancies on the following Town Advisory Committees:
