We are very excited about restarting our programs, your patience and understanding is very much appreciated as we all learn to navigate this together.

All persons entering the building must **wear a mask**, and respect **social distancing**. The ONLY time masks are not worn is while swimming.

Arrive at the pool with your bathing suit on, this reduces your time in the changerooms before lessons.

Showers are available before and after lessons, keep it short. Lockers are NOT available. DO NOT leave personal items in the changerooms, **bring everything to the pool deck with you**. Shoes stay in the lobby.

Participants will build on existing swim skills, and will not be evaluated at a level.

After lessons, change and leave the building promptly. Limit your time in the pool lobby.

We strongly encourage everyone to complete an online Covid-19 Self Assessment prior to visiting the facility. See www.ontario.ca

Any changes to this schedule will be posted on www.carletonplace.ca , please check regularly for updates, or call us at 613-257-1005 Ext 21
