CARLETON PLACE PUBLIC LIBRARY

Tech Tutoring - Tuesdays, Bi-Weekly - Sign up for one of our 30 minute sessions happening every two weeks, or attend a group workshop on a broad topic. Staff will ask you lots of questions when registering so they'll be able to direct you to the perfect choice. Call (613) 257-2702 *Please note: Caroline cannot set up your device for you. These sessions are strictly to learn or practice a new skill.

Senior Techlympics - An online scavenger hunt hosted by the Library strictly for seniors, meant to build new skills and make the internet fun!

"Media Literacy - Don't believe everything you read on the internet" - Tuesday, March 28th - 11am - No registration required for this informative workshop to help you learn how to spot fake news, phishing and danger on the internet. Perfect for seniors!
