

# MUNICIPAL MATTERS

**June 22<sup>nd</sup>, 2023**

## Council and Committee of the Whole Meetings

**Summer Break Notice** - Please be advised that in accordance with the Town's Procedural By-law, Council will be taking a summer recess from regular Council and Committee of the Whole meetings during the month of July. This does not include Special or Emergency Meetings, which can be called by the Mayor or by a petition of Council.

## Canada Day in Carleton Place

The Town of Carleton Place Recreation & Culture Department invites you to Riverside Park in Carleton Place on July 1st for a fun-filled day of activities to celebrate Canada Day! The event begins at 12:45 p.m. and caps at 9:45 p.m. with a breathtaking fireworks display along the Mississippi River.

As always, this community event is free of charge thanks to the generous businesses and organizations in Carleton Place! Highlights of the day include live entertainment, family activities, vendor's alley, and much more!

For more information, please contact Jessica Hansen: [jhansen@carletonplace.ca](mailto:jhansen@carletonplace.ca) / 613-257-1704

---

## Compost Yard and Household Hazardous Waste Closed for Canada Day

Due to Canada Day being a holiday, the Compost Yard and Household Hazardous Waste Facilities located at 128 Patterson Crescent will be closed Saturday, July 1<sup>st</sup>, 2023.

For more information about waste disposal in the Town of Carleton Place, please visit our website, [www.carletonplace.ca](http://www.carletonplace.ca) or download the free Carleton Place Waste Solutions App from the Google Play Store or the Apple App Store to receive information & reminders about waste and recycling collection.

---

## Riverside & Centennial Beaches

Carleton Place Beaches & Riverside Park Washrooms are open and will close for the 2023 season on August 27th, 2023. Lifeguards are on duty from 9:30 a.m. to 6:00 p.m. daily.

Water quality is tested by the Leeds, Grenville & Lanark District Health Unit. Please visit the Weekly Beach Results testing page on their website for the status. <https://healthunit.org/health-information/recreational-water/weekly-beach-results/>. All patrons must respect closure signage.

River current could be stronger than expected. Parents/Caregivers - Keep non-swimmers within arms reach at all times.
